**for Exemption from

Service)**

Docket OST-01-8735

**APPLICATION OF
SKYSERVICE AIRLINES INC./LIGNES AERIENNES SKYSERVICE INC.
FOR RENEWAL OF EXEMPTION AUTHORITY**

Pursuant to 49 U.S.C. § 40109 and § 302.301 et seq. of the Department's Regulations, Skyservice Airlines Inc. Lignes Aeriennes Skyservice Inc. ("Skyservice") hereby applies for renewal of its exemption from 49 U.S.C. § 41301 to provide scheduled foreign air transportation of persons, property and mail between a point or points in Canada and a point or points in the United States. The authority for which renewal is requested was initially granted by Notice dated January 25, 2001 and Skyservice requests that this authority, which is now scheduled to terminate on August 31, 2006, be renewed for an additional period of not less than two years.¹

¹ Pursuant to Part 377 of the Department's regulations, Skyservice hereby states its intention to rely upon the automatic renewal provisions of 5 U.S.C. § 558(c) to continue its exemption authority in effect pending final DOT action on this renewal application.

As discussed in more detail in the initial application Skyservice submitted in this docket on January 19, 2001, the authority for which renewal is requested is consistent with the U.S.-Canada Air Transport Agreement and the Department repeatedly has found that the Agreement authorizes service identical to that requested here. As also discussed in Skyservice's initial application, the Canadian Transportation Agency (CTA) has authorized Skyservice to operate scheduled international service between points in Canada and points in the United States and Skyservice is fully qualified to operate the service for which renewal is requested.

ACCORDINGLY, Skyservice respectfully requests that the Department renew its exemption authority to provide scheduled foreign air transportation of persons, property and mail between a point of points in Canada and point or points in the United States.

Respectfully submitted,
